

NEW ZEALAND WELCOMES YOU

New Zealand has been called a lifestyle superpower for good reason.

It is a country that offers a rare mix of quality of life with innovative business and investment opportunities. It is a place where people value freedom, community and the natural environment that is so much a part of the New Zealand way of life.

Working closely with business experts, the New Zealand Government is actively seeking investors with the capital, skills and networks to make a genuine contribution to the continued growth of the economy.

An opportunity to explore New Zealand lifestyle and investment opportunities.

An exclusive event will be held in June 2017 to provide you with insight into the latest New Zealand Investor Migration policies, acceptable investments, relevant documents and process. Invited attendees will have the opportunity to meet government officials from New Zealand and respected members of the private law, immigration and banking sectors.
